Newham council has been working closely with schools to ensure that parents and carers are supported and meet the needs of their children. At New City we will be working with families through the Early Help Initiative. The information below gives you more detail:

Newham London

Information for Parents and Carers - Early Help

Early Help means...

- The sooner you receive the right support, the sooner you are able to improve your situation
- Support for parents, parents-to-be and very young children through to adolescents and young adults
- Addressing issues early, preventing the need for more intensive, specialist support
- You do not have to tell your family's story over and over again
- Your family are central to any support plan offered

We all want what is best for our children and young people.

For children, better social and emotional skills, communication, the ability to manage your own behaviour and mental health mean a stronger foundation for learning at school, an easier transition into adulthood, better job prospects, healthier relationships and improved mental and physical health.

Do you or your family need support?

The first step is to speak to **Miss Long, Teasie, Allison, Mrs Stone, Helen, Donna or Miss Greyling**

When you ask for support, we will work with you to design an action plan called an Early Help Record.

**New City's
Pastoral Support
Team**

**Year 2 SATS Week
beginning 22nd May**

COFFEE MORNING

9.00-9.30

**24/5/17 Miss Bull
Supporting English
Reading Homework**

2C— Tambbir

2J— Saffiya

3A - Aum

3B - Emily

3C - Zumeria

4B— Krystian

4F— Samit

4K—Queency

5O - Enis

5A - Mauricette

5B - Mohamed

6B— Zainab

6H— Mohamed

6P— Sorana

Lots of children are telling us that they have very itchy heads — this means there might be an outbreak of Head Lice or Nits.

Please parents can you be aware and follow with the required treatment:

Treatment includes: combing hair with a fine-tooth comb to remove the Nits or special shampoo, cream, or lotion usually kills the Nits right away. You need to check hair every day to make sure that all of the Nits have gone. Sometimes it is difficult to get rid of the Nits, if this happens to you, please talk to the doctor or nurse at your surgery.

Well Done Dougal and Archie for having completed the Rookie Rush Nuclear Race on Sunday at the Secret Nuclear Bunker in Kelvedon.

Archie completed the 3km course in 39 mins and Dougal in 45 mins. WELL DONE!
