Mystery Building Project

Have you noticed our friends from Spring working hard on the new building in the playground? I'm very excited to say that the building is nearly finished—but what is it ? There are lots of rumours. Could it be a new staffroom or maybe an office for Mrs Stone? What do you think it is ?

Democracy at Work in New City

To coincide with the inauguration of a new President in USA, Mrs Stone's assembly today was all about our own elected School Council. Two of our School Councillors explained their role.

Maahi 6B To be a School Councillor you must be responsible and filled with determination to do your school proud. You must be approachable and make others feel comfortable. You must be enthusiastic and have a positive mind-set. A perfect councillor will make decisions on behalf of their class which everyone agrees with, which, after all, we do live in a Democratic Society!

Mauricette 5A As a School Councillor we are expected to be dedicated and respectful. We listen to our classmates, no matter who they are and we take their suggestions to the School Council meetings.
