It has been a very hot week and the children have shown remarkable care during this time. It is important that as the hot weather continues that children come to school with a hat and sun cream that has been applied to their skin. We are encouraging children to drink as much water as possible during the day to stay hydrated.

### International Food Fayre—July 13th—3:30 to 5:30

We are really looking forward to celebrating our school community through our International Food Fayre on July 13th. We want to take this opportunity to also celebrate the hard work that the children, staff and parents have carried out this year to ensure our HMI visit in May was successful.

To help make the event memorable, please can you put the date in your diary and come along. If you can bring a dish or two that would be fantastic! Weather permitting we hope to hold the event in the playground by the dining hall.

Everyone is welcome!

For more information please contact Allison Dolan, Nikki Archer or Teresa Elu (the organising committee).

### Homework

Homework is a daily requirement across the school.

EYFS and Key Stage 1 homework reflects the essential skills with a bias towards basic number facts and phonics.

Key Stage 2 homework should become more formalised, with demands gradually increasing. Two formal pieces of written homework are required for English and mathematics. Spellings, times tables, word lists and research should also be set as homework on a weekly basis.

Please do support you child to complete their homework. If you need any guidance please talk to their class teacher.

### Diary Dates

27th / 28th / 29th June

Year 5 visits to  
Science Museum

June 30th  
Sports Day

3rd/4th/5th July
