Dear Parents

This week's newsletter is mostly going to be reminders about dates for this term. The Spring term usually includes fewer productions than happen in other terms, but there will still be a good range of trips and other activities to broaden and excite the curriculum. Please note these dates in your diary and let the teachers know if you will be able to help or attend at any of the events. I am sure that there will be some extra events that come up during the term. We will let you know about these dates closer to the event.

Before the dates, I want to say what a pleasure it was to take many of the juniors to the pantomime yesterday. Everyone had an excellent evening on what was a very late night for them. The show was really entertaining with lots of songs and participation and jokes. The dame was as lively and funny as they usually are at the Kenneth More. Best of all, all the children got involved and had a great time. They also knew when to stop and listen, and when they could dance and make a lot of noise. Before and after the show they were also really well behaved and sensible; getting drinks or snacks and getting on or off of the bus. All the parents should definitely congratulate themselves on what a great advert the children were for our school and for the area. We hope that all the other trips go ahead just as well.

We are sure that your children will really enjoy the events that we have listed. Please make sure your children are here on time on the day and have appropriate clothing and a packed lunch if necessary.

One final reminder as the weather does seem to be turning colder. Please make sure that your child has appropriate clothing as the weather is getting colder. They really need a good coat and strong shoes. Gloves and a hat will also keep them warm and make it less likely that they will suffer from the colds that are going around at the moment.

Thank you for your continued support.
