Dear Parents

This week's newsletter is going to be all about your views. We are sending out the annual questionnaire to find out what you think about the school. Please, please do fill it in as it is one of the best ways that we can see where we are improving, and where we still need to make more effort. It would be great if you can write your name at the top and then we will know who to contact if you raise any significant concerns. We all look forward to hearing from you and adjusting our practice accordingly. If you can send replies back into the office or teacher in the next couple of weeks, we would be grateful.

Thank you for your continued support
