

13/05/16

Dear Parents

I am afraid that this will be a short newsletter as the school has been incredibly busy this week. We have combined the year 6's doing their SAT tests with a visit from the school inspectors so we have not had much time for some of our usual things like getting our newsletter together.

I really want to take this chance to thank all the parents and the children for their input into the last few days. Many parents and children have taken the time to be really positive about the educational experience their children get. This is great to know as we are getting through a long week. I also want to make sure you know that all the children were incredibly well behaved, polite and were a real credit to you through the week. The report will not be out for a few weeks yet but I am confident in saying that it will report really favourably on the children's attitudes, caring nature and interest in our community.

The other thing to say is that the year 6 parents should be really proud of their children as they have tried incredibly hard this week. Some of the papers, particularly the reading, were very challenging but the children put their all into it and we think they should do well this year. They will now get a well-deserved trip to Chessington so please make sure they are all here on time on Monday.

Thank you again for all your support.

TRIPS AND OUTINGS

Over the next few weeks there will be lots of trips happening. They are always a lovely day for the children and a well deserved treat.

There are however, a few things that you could do to ensure that the trip runs smoothly for your child:-

If they suffer with travel sickness, please make sure you give them their medication before the trip. Also please let the teacher know so that they can keep an extra eye on them during the journey.

Please make sure they dress appropriately for the weather! Of course we hope for lovely sunshine – if that is the case please send them in with a hat and sensible footwear. Obviously if the weather is wet or cold then they will need to dress for that.

If you are sending a packed lunch please put it in a plastic carrier bag, as this is easier to dispose of once lunch is finished. Also please do not send any fizzy drinks.

All of these tips will help ensure a lovely day out for your child!

NOTICES

Please make sure you contact Mandy if your child is attending breakfast club or after school club so she knows that they are coming. Pick up for after school club is strictly by 6pm. Her phone number is 07956 515258

Don't forget that we are collecting the Sainsbury Vouchers for Schools. These will enable us to get sport and play equipment for the children so we will be really grateful for any vouchers you may have.

If your child is asthmatic please ensure that they always have their pump in school. This is especially important at this time of year and for trips and days out.

Thank you to all the parents who have now stopped double parking in the morning on New City Road. Mr Wareham will continue to patrol this entrance for a while to discourage unsociable car use. Why not walk, scoot or ride? This will reduce traffic congestion and keep everyone healthy.

WEEK 4	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
FISH CHOICE	FISH KORMA WITH RICE	SPICY TUNA PASTA BAKE	ITALIAN STYLE COD FILLET WITH ROAST OR BOILED POTATOES	WHOLEMEAL TUNA HOAGIE MELT	FISH FINGERS WITH CHIPS
