Year 6P—IntoUniversity

This week, 6P have been on their IntoUniversity focus week. As part of the experience, the children have learnt about different aspects of journalism, which included visiting a local radio station and recording their own podcasts. They also learnt about what life is like at university, the different courses offered and researched which university they'd like to attend. Finally, the children attended a graduation ceremony at Kings College London, where they celebrated the fantastic work they have done this week. Well done 6P!!!!

MacMillan Coffee Time

Thank you to all the parents and staff who contributed to our cake sale last Friday. We raised £149 for MacMillan! Well done everyone and thank you!

SAFETY FIRST

Thank you to all the parents who do not park on the yellow lines outside the school during the start and the end of the day. These lines are there for all children's safety when crossing the busy roads. Our lolly pop ladies do a very good job and we will not tolerate abusive parents.

I am also grateful for parents not dropping off and waiting for children close to the exit doors from the building. Allowing room for the teacher to take the children in and out of the playground is very important for every body's safety.
