## Mid-phase Admissions Policy

### Introduction

New City Primary School serves a very diverse local community. At the present time over 44 languages are spoken by children at New City.

Although a large part of the school population is stable, many other children and their families are mobile.

### Definition

Mid- phase admissions are pupils who join the school outside normal admission times.

### Rationale

At New City Primary School we recognise that:

- All children are entitled to education and access to the whole school curriculum.
- Children may join the school for a variety of reasons.
- Some pupils who arrive during the school term may have experienced difficulties. This may include being homeless and in temporary accommodation, having attended several schools already and having a disrupted education, recently arriving from another country or being a refugee or an asylum seeker who has fled from armed conflict or persecution.
- Parents and carers need to be welcomed and involved so that we can teach children effectively.

## **Aims**

At New City we aim to:-

- Provide a warm welcome for children and their parents/carers who arrive mid-phase, reassuring them that our school is a safe and caring environment
- Provide children and families with effective multilingual information about the school, curriculum and the local area
- Ensure that children are fully assessed upon entry to the school. These may include, medical, first language development, special needs, English as an additional language, numeracy and literacy assessments
- Record relevant information about a child's background and previous educational experiences including seeing their previous school report
- Acknowledge and celebrate the skills and knowledge that new children bring to the school
- Ensure that children's wider needs are addressed through co-ordination with other agencies and services including the Ethnic Minority Achievement Team, Language Shop, Social Services, School Counsellor, Child and Family Consultation Service, School Nurse and the Newham Health Advocacy Team.
- Develop strategies to encourage new pupils to make friends and have positive support from their peers.
- Enable the child to participate in the curriculum at an appropriate level.
- Provide specific support and a range of strategies to all children including those on the Autistic Spectrum.

## **WHOLE SCHOOL PROCEDURE FOR MID-PHASE ADMISSIONS**
